Opportunities for Associates

- Free announcements of courses on the EUTERP website
- Contributing to the Newsletter (+ free advertising !)
- Involvement in EUTERP workshops (+ discount on fees !)
- Associate web-pages eg to advertise courses, share links, publish projects etc
- Contribution to the development of policy, standards and guidance
- One complimentary place on an ENETRAP course (subject to availability)
- Nominating and electing the Board of Directors

Views of Associates

- ❑ Currently 19 Associate members (fee ~ Euro 380)
 - Organisations
 - Varying distribution within countries
- ❑ How to encourage new Associates ?
 - If Board is aware of interested organisations then invitation can be issued
 - Any legal entity can become an Associate
 - Is there a role for National Contact Points ?
 - Are NCPs still needed ?
 - Useful information missing ?
 - Increased role for national societies ?
 - General view that more “advertising” would be beneficial
